Tamkaliks Side Channel & Wetland Complex

Dear Katie,

On November 27, 2018 at a regularly scheduled meeting of the Grande Ronde Model Watershed Board of Directors, your proposal titled **Tamkaliks Side Channel & Wetland Complex** was reviewed. The GRMW Board of Directors recommended funding the project in the requested amount of \$203,480, under the condition that you continue to apprise the Wallowa Implementation Team of design advances as they occur. It is understood that you will continue to work with Sean Welch, BPA Engineer, on finalizing design.

If you have questions about the Board's decision, please call me and/or Coby Menton. In the meantime, please work with Tracy Hauser at BPA to begin contracting.

Sincerely,

Jeff Oveson
