Re: Chicken Creek Small Streams Restoration Project

Dear Mr. Platz,

On December 10, 2019, the Grande Ronde Model Watershed Board of Directors reviewed your proposal titled **Chicken Creek Small Streams Restoration Project**.

The GRMW staff and Implementation Team recommended funding the project. The Board reviewed the proposal and awarded \$65,252 of Bonneville Power Administration (BPA) funding.

Please work with Tracy Hauser, BPA Contracting Officers Technical Representative, to proceed with obtaining contracting. If you have questions about the Board's decision please call me.

Thank you for submitting this proposal and congratulations.

Sincerely,

Jesse Steele
