**Wilson-Haun Wallowa River Project:**  
**Restoring Natural Processes for Salmon and Steelhead**

Levi,

On November 23, 2021 at a regularly scheduled meeting of the Grande Ronde Model Watershed Board of Directors, your proposal titled **Wilson-Haun Wallowa River Project: Restoring Natural Processes for Salmon and Steelhead** was reviewed.

The Wallowa County Implementation Team recommended the project for funding. The IT appreciates the novel techniques and hopes this project will serve as a model for other projects in the region. The GRMW Board agreed with IT and staff recommendations and approved your proposal for funding as follows:

BPA FY2022 - \$1,239,195

This award amount is a correction to the previous letter sent on November 30, 2021. I forgot to include the indirect amount that was awarded by the board of \$81,069. Please disregard the previous letter and use this award amount for finalizing the BPA contract.

Sincerely,

Jesse Steele
