**Lostine River Poley-Allen Fish Passage Project**

Katie,

On November 23, 2021 at a regularly scheduled meeting of the Grande Ronde Model Watershed Board of Directors, your proposal titled **Lostine River Poley-Allen Fish Passage Project** was reviewed.

The Wallowa County Implementation Team recommended the project for funding. The IT noted the importance of this project for adult Chinook salmon passage based on long-term results of radio tracking. The GRMW Board agreed with IT and staff recommendations and approved your proposal for funding as follows:

BPA FY2022 - \$189,911

Congratulations! Please work with Tracy Hauser at BPA to complete the contracting process. If you have any questions, please call me. Thank you for submitting this proposal.

Sincerely,

Jesse Steele
